Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 04 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright south and east. Rain moving south, north colder later.

Today:
Mostly dry in the morning, sunshine in the south and east, cloudier west. Band of rain spreading southeast followed by brighter but much colder weather in the north with some snow showers. Windy.

Tonight:
Rain in south clearing, then a very cold night everywhere. Snow showers becoming frequent in the north but more scattered in south where inland areas becoming dry. Penetrating frost. Windy.

Monday:
A very cold day. Some sunshine, the best of this in the south. Snow showers mainly affecting northern Scotland with just the odd one further south. Severe gales Northern Isles.

Outlook for Tuesday to Thursday:
Bright but cold on Tuesday with a few snow showers. Sunny spells and isolated wintry showers Wednesday. Occasional rain and milder on Thursday.
